Promotion valid from 14 to 20 Aug 09.

[^]Mobile Mark 2007 test results for the Acer Aspire Timeline models 3810T and 4810T. Results will vary.

Your computer's battery life may vary depending on product specifications, computer settings, and applications or features launched. The listed battery life is for individual battery packs tested with MobileMark 2007 in productivity test mode and with wireless connection on. All batteries' maximum capacity will diminish with time and use. Battery life indicated is with Acer PowerSmart Manager enabled.
